NO OFFER

The contents distributed on this website constitute neither an offer nor a recommendation nor an incentive to turn to the services or products of PrimeEnergy Advice SA. The elements of the website cannot be considered as proactive recommendations by PrimeEnergy Advice SA. Any third party contacting PrimeEnergy Advice SA shall do so on its own initiative.

NO GUARANTEE

Although PrimeEnergy Advice SA establishes the contents of this website carefully, the company supplies no guarantee, explicit or implicit, concerning the accuracy, exhaustiveness or reliability of the information and opinions published on this.

PrimeEnergy Advice SA in no way undertakes to update the contents of this website, or to delete obsolete information that may be found on it. The company cannot guarantee either that the information found on this website has not been altered following technical failures (logging out, interference by a third party, virus, hacking, etc.). Consequently the information must on no account be considered as a reliable basis for an investment or any other decision. Past performances offer no guarantee as to future performances. Before making an investment decision, it is recommended that investors call on a specific professional advisor. PrimeEnergy Advice SA does not accept any responsibility in the event of an investment made solely on the basis of this information.

COPYRIGHT AND INTELLECTUAL PROPERTY

The entire PrimeEnergy Advice SA website is fully protected by copyrights and intellectual/industrial property rights. All intellectual and industrial property rights are reserved; in particular it is forbidden to reproduce (totally or partially), to transmit (by any technical means), to modify, transform, exploit, cross reference or use for commercial or public purposes any information contained in this website without the prior written authorisation of PrimeEnergy Advice SA.

CONFIDENTIALITY AND DATA PROTECTION

The user authorises PrimeEnergy Advice through its vested benefits assets search platform "trouvermonlibrepassage.ch" to contact in its name the central office of the 2nd pillar as well as pension funds in order to carry out a search for assets as well as request extracts of vested benefits accounts. You authorise us to contact you by email, telephone or video conference to offer you support or help in your procedures. A member of our team may contact you to advise you or provide solutions for the repatriation of your vested benefits assets.

PrimeEnergy Advice SA may use personal data made available by the website user by means of a form, questionnaire or in any other way via the website. This information may notably include your name, address, email, telephone number or financial information.

These data may be used by PrimeEnergy Advice SA for internal marketing purposes, in order to give you information about products and services that could interest you or in view of contacting you at a later date.

Personal data supplied by the website user may be distributed within the PrimeEnergy Advice SA group if necessary and insofar as the law allows it. However PrimeEnergy Advice SA limits access to your personal data to persons or entities that need them to carry out your request for vested benefits assets. These persons or entities must use your personal data in a confidential way and exclusively for the purposes for which they have been transmitted. PrimeEnergy Advice SA shall keep your personal data for as long as is necessary, in accordance with the laws governing data protection.

Data security

PrimeEnergy Advice SA shall do everything to ensure the correct operating and security of its website against intrusions, another use or viruses. However, given that personal data is transmitted via a public network that is out of the control of PrimeEnergy Advice SA, the latter assumes no responsibility as to the confidentiality, integrity and security of your data during their transmission and can not be held responsible for any direct or indirect loss.

COOKIE

A cookie is text information that the browser saves when visiting websites. PrimeEnergy Advice SA can use cookies on this website for statistical purposes or in order to collect user information and to make browsing the website easier. By using this website, you accept the use of cookies for this purpose.

You can refuse cookies at any time via your internet browser settings. However, in this case, you may not be able to use all of the website functions.

LINKS TO OTHER WEBSITES

The website may contain links to other websites controlled or made available by third parties. PrimeEnergy Advice SA has not controlled the websites in question and does not accept any responsibility concerning the accuracy, exhaustiveness and legality of their content. By linking a third party website to its own website, PrimeEnergy Advice SA neither assumes nor accepts any responsibility with regard to the products or services offered via the third party website.

LIMITATION OF RESPONSIBILITY

PrimeEnergy Advice SA does not accept any responsibility for any direct or indirect damage resulting from access to the website or the use or the taking into account of the data published on this website.
